Attn: Darryn WAUGH

Police would like to formally ask the Napier City Council to support a liquor ban on the 8<sup>th</sup> of April 2017 for the Mission Concert. This concert will host 25,000 patrons and will need to be well managed and policed to ensure a safe and friendly experience for all those attending and residents within the area.

At previous Mission concerts of this size police have experienced issues with people side loading on the streets in and around the Mission Estate. This has led to intoxicated persons acting in an anti-social manner, an increase in rubbish such as glass bottles and cardboard associated with alcoholic beverages, and the Napier City Council imposing a liquor ban in the area, as per the attached map. Police will have the capability to enforce this ban and ensure that alcohol related harm is kept to a minimum.
